A.2. Eligibility Criteria for e-medhabruti Scholarship

I. Residency Requirement

The applicant is mandated to possess permanent residency status within the geographical boundaries of the State of Odisha.

II. Family Income Parameters

The aggregated annual income of the applicant's family, derived from all sources, must not exceed a sum of Rs.8.00 lakh.

III. Academic Achievement Benchmark

For qualification under the various categories of merit-based scholarships, the applicant is required to have attained a minimum score of 55% in the relevant qualifying examinations.

Scholarship Type	Eligibility for e-Medhabruti
U.G Merit	Must have passed +2 of CHSE, Odisha / Class - XII or equivalent exam with 55% or more marks from an institution recognized by CBSE / ICSE and pursuing regular Degree Course / +3 course in any of the recognized Colleges / Institutions / Universities.

IV. Application Timing:

Applicants meeting the eligibility criteria are permitted to submit their scholarship applications solely during the first year of their admission in the course. Nonetheless, if an exceptionally meritorious student, who was otherwise falls within the merit list of his/ her first year of admission, fails to apply during their first year of admission but subsequently submits an application in subsequent years, and there remains an unfulfilled quota from the initial year of admission, under such circumstances, the student's case may be reviewed and considered for the subsequent years only.

For instance, if a student enrolls in a +3 Arts program during the academic year 2022-23 but fails to apply for the Undergraduate Merit scholarship during their first year, his/her application may be entertained in the second year or any subsequent year, provided there are available vacancies for the respective academic year (first year's admission). It is important to note that the student will be eligible for prospective scholarship disbursements only, and any missed scholarships from previous years will not be retrospectively considered or compensated.

A.3. Criteria for District and Block-Wise Scholarship Allocation and Merit-Based Selection under e-medhabruti Scholarship

I. Proportional Scholarship Distribution across Districts and Blocks

- The allocation targets for each category of merit-based scholarships will be apportioned among all Districts, commensurate with the student population data based on admissions within each District.
- Fifty percent of the designated district target will be fulfilled through a district merit list, assembled from authenticated data received from educational institutions. The merit list will be the list of eligible candidates of the districts in the order of their marks obtained as explained in point II below.
- The residual 50% of the district allocation will be sub-divided across the blocks within the District, predicated on student population data.
- Block-specific targets will be met based on a block merit list. The merit list will be the list of all eligible candidates of the block in the order of their marks obtained as explained in point II below.
- In the event of a deficit in eligible applicants within a block, the residual allocation will be redistributed among eligible students within that District.

- Left out scholarships numbers of a district will be first allocated to underprivileged districts. Any remaining undistributed scholarships will be considered for eligible students left out in the initial distribution.

II. Methodology for Final Merit-Based Selection

The final lists of selected students will be collated according to the aggregate percentage of marks obtained in their last qualifying examinations. This will be done for each merit category, District-wise and Block-wise. The selection process will be executed in descending order of academic merit until the allocated scholarship quota is reached. For instance, a student with a 92% score would precede a student with a 91% score, and so on.

III. Tie-Breaker Criteria

In instances where multiple students have identical percentage scores and not all can be accommodated within the scholarship quota, preference will be accorded to those with lower family income ceilings.

IV. Conversion of Alternate Grading Systems

For students assessed under the CBSE/ICSE grading framework utilizing Cumulative Grade Point Average (CGPA), conversion to percentage will be executed by applying a multiplication factor of 9.5.

A.4. Duration and Scope of Scholarship

Eligible recipients applying in the first year of admission will be entitled to the scholarship for the complete duration of their respective courses (which will vary depending upon the year of application for Scholarship). For e.g. If the admission year of a +3 Arts student is 2022-23 but he/she has applied scholarship in the year 2023-24, then he/she is entitled to get the scholarship amount for 2nd year & 3rd year only.
